### Comments and Suggestions

- ☞ means "ON REQUEST" – please ring the Ferry Master to be picked up or tell the Ferry master to drop you at these wharves when paying your fare. The trailing numbers indicate the order these wharves will be serviced.
- Times shown are the earliest that the ferry will leave the wharf. Please be at the wharf at least 5 minutes early.
- Every effort is made to keep to times shown however actual times are affected by prevailing wind strength and direction, tide, visibility, number and agility of passengers and number and location of wharves already serviced.
- The Ferry Master reserves the right not to dock at a wharf if he feels it unsafe to do so.
- Please use flags provided at Lovett Bay and Elvina Bay (North and South). If travelling from these wharves in off-peak times it is advisable to ring the Ferry Master and tell him that you wished to be picked up.
- If the Ferry Master does not answer his mobile phone it is probably because he is in a radio shadow or is busy docking at the wharf. Please ring again in 5 minutes.
- Bus information is provided on the basis of all care but no responsibility, please check with Sydney Buses.
